While the online meeting platform features will work in most modern web browsers, we highly recommend using Google Chrome to access the site.

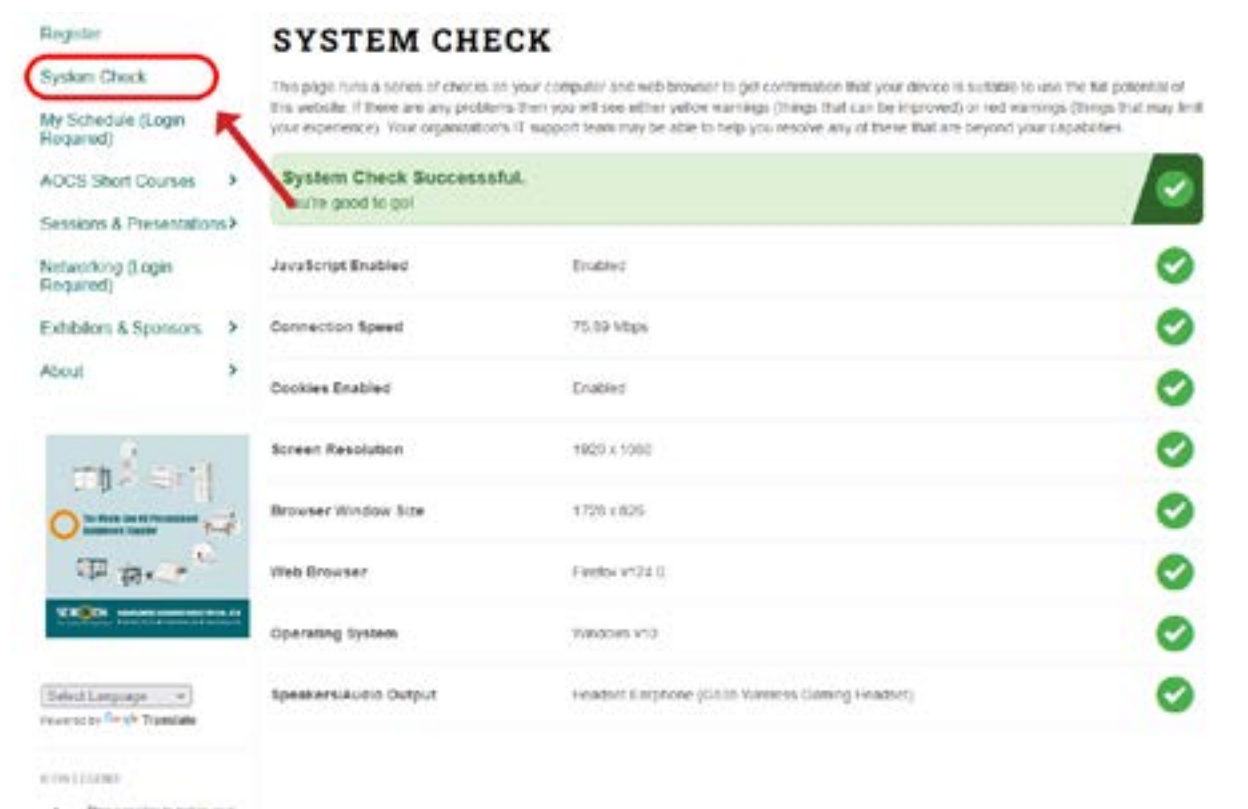

We do not recommend Microsoft Edge.

System Check Page

The System Check page runs a series of checks on your computer and web browser to get confirmation that your device is suitable to use the full potential of the online meeting platform.

If there are problems, you will see either yellow warnings (things that can be improved) or red warnings (things that may limit your experience).

Your organization's IT support team may be able to help you resolve any of these that are beyond your capabilities.

Register for the 2024 AOCS Annual Meeting & Expo and Sustainable Protein Forum

Live presentations and networking events will take place in Montréal, Québec, Canada on April 28 - May 1. The 2024 meeting is co-located with the Sustainable Protein Forum, and all attendees will have access to both programs.

On-demand access will be available to all attendees through December 31, 2024.

To register, visit annualmeeting.aocs.org/attend/register.

As a registered attendee, you will have access to live, in-person viewing of technical program presentations and posters from all ten interest areas, Featured Sessions and Hot Topic Symposia presentations, and on-demand access to recordings from all meeting sessions shortly after the meeting concludes.

Short Courses

Registered attendees for the AOCS short courses in Edible Fats Refining and Lipid Oxidation in Foods will have access to their program details and slide downloads of all presentations. The short courses will not be recorded for on-demand viewing.

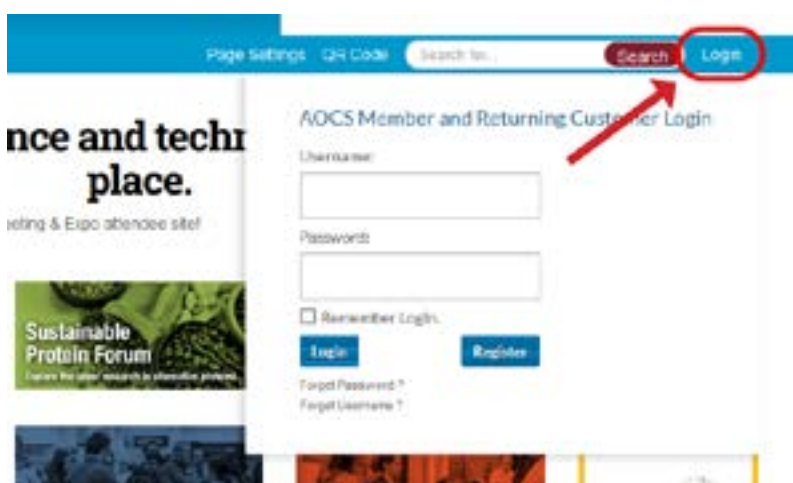

Login

Login using your AOCS account credentials by clicking login on the upper right-hand side of the 2024 AOCS Annual Meeting & Expo homepage.
