</table>

**Scheduling:**

| Office Hours          |          |                      |             | Use Breakout’s scheduler and video chat tool, or link out to any scheduler or video chat tools of your choosing. |
| Scheduling Tool       |          |                      |             |                                                        |

Can access the content management system anytime during the meeting to make changes. Once saved, they will automatically be incorporated into your virtual presence site!
Training Topics Today:

- View the landing page of platform and how to login (admin and front-facing)
- Provide brief overview of the site
- Demonstrate how exhibitors and sponsors find their ‘virtual presence’
- Review how you can update/edit the site
- Review functionality of site features (ie, live chat or meeting set up)
